DIETER ROTH, BJORN ROTH: WORK TABLES AND TISCHMATTEN (HARDBACK)

Yale University Press, United States, 2011. Hardback. Book Condition: New. 270 x 226 mm. Language: English . Brand New Book. Dieter Roth s unique and eclectic Tischmatten (Table Mats) incorporate drawings, paintings, photographs, and ephemeral materials. Roth placed these gray cardboard mats on tables in his apartment, studios, and houses, collecting what he referred to as the traces of my domestic activities. Along with spontaneous doodles and drips and stains from the kitchen, Roth affixed leftover food, notes, and photos to the mats, creating still lifes that he would supplement with painting and collage and that had an emphasis on symmetry and mirror images. Dieter Roth, Bjorn Roth: Work Tables and Tischmatten offers a new interpretation of these significant yet often misunderstood works, which Roth himself considered to have influenced the development of his painting in the late 1980s. The book includes the artist s writings about the Tischmatten, and an insightful essay by Andrea Buttner resituates them within the greater body of the artist s output.
