JUDGING DANCE BATTLES

Paperback. Book Condition: New. Not Signed; Judging Dance Battles gives a clear and solid description of what dancing is about. There are different aspects within dancing that most dancers are not aware of, and therefore cannot incorporate in their training. By explaining the science behind dancing (especially that of street dance styles) it becomes understandable how and why dancing can have such a strong effect on people who are watching, as well as those who are dancing. Because this information is not a mere opinion but an objective analysis, it provides essential information for any dancer looking to exponentially improve their dancing, and presents dance judges with extremely vital data when it comes to judging dance battles. The information that Judging Dance Battles gives is strongly recommended for anyone who is remotely interested in dancing, and should be mandatory for anyone who is active in the dance scene. book.
