FARMING AND THE LAND

Hardback. Book Condition: New. Not Signed; An interest in rural life and culture has long been a feature of ethnology in Scotland. This multi-author volume explores a variety of topics on the broad theme of farming and the land. The 43 chapters are divided into ten thematic sections: the environmental setting; settlement, society and landscape; crops and livestock; buildings; the workforce; types of land use; tools, techniques and processes; industry, engineering, communications and trade; writing, museums, education and research; and...
