THE MECHANICAL PRODUCTION OF MEAT ADDITIVES FROM SOY FLOUR

Marwa Zakzouk
The Mechanical Production
of Meat Additives From Soy
Flour
Single Screw Extruder

LAP LAMBERT Academic Publishing. Paperback. Book Condition: New. Paperback. 176 pages. Dimensions: 8.7in. x 5.9in. x 0.4in. The properties of the locally produced texturized soybean were improved through the modification of the chemical properties of soybean flour and through the modification of the extruders screw (its mean effective unit) for each zone of the screw (feeding zone kneading zone, and final cooking zone) and its application. The technical evaluation of the modified extruder included extruder productivity, the required torque, the required...

Reviews

Most of these pdf is the best book readily available. It usually is not going to expense a lot of. Its been printed in an exceedingly easy way which is only soon after i finished reading this publication in which actually transformed me, change the way i really believe.

-- **Hadley Haag**

The very best ebook i ever study. It really is rally fascinating through reading through period of time. It is extremely difficult to leave it before concluding, once you begin to read the book.
