### ***Reviews***

*These kinds of book is every thing and helped me hunting forward plus more. It is probably the most remarkable book we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Ebury Publishing, United Kingdom, 2010. Paperback. Book Condition: New. 172 x 108 mm. Language: English . Brand New Book. Petticoats, corsets, frilly knickers, lace, and canes - all part of the Imperial world inhabited by Thrift; a young and naive foreign office agent sent on special missions on behalf of the empire. In Whalebone Strict , Thrift Moncrieff s assignment for the British Imperial Diplomatic Service takes her to the North American colonies, where she is supposed to compromise the position of a politician. In this she is rather more successful than she had planned, leading her ever deeper into difficulties that more often than not lead to the opening of her ankle length corset and elaborate underwear, either for the entertainment of a string of lecherous men, or to have a hand applied to her delectable buttocks.
