Castle Rock Press, LLC, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The severity of injuries, including concussions, to kids playing youth tackle football can be as traumatic as to the big brutes playing college and NFL football. Alan challenges the overall safety of youth football, including playing hurt versus injured just to win a game. Putting the responsibility on the coach's shoulders, he discusses good coaching versus bad coaching, and whether to allow a kid...
