INSTITUTIONS FOR THE BLIND IN AMERICA, VOL. 9: A DIRECTORY OF THE WORK FOR THE BLIND IN THE UNITED STATES AND CANADA (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Institutions for the Blind in America, Vol. 9: A Directory of the Work for the Blind in the United States and Canada Probably every ophthalmologist has, at some time or other, been asked where and how a blind person can be schooled or otherwise armed for the battle of life. In the following survey, we have endeavored to make it possible for an inquirer in any one of the United States, or provinces of Canada, by referring to this section of the Encyclopedia, to find just what are the resources for the blind in his own locality. We have deliberately refrained from lengthy statements with regard to the education and training of the blind on this continent in the belief that the accompanying series of illustrations with their captions will be more effective than many words. It will be observed, starting with the care of infants, as exemplified in a nursery for blind babies and ending with assistance for adults, that we show with these pictures practically every phase of work for and by the blind in America. The illustrations arc typical of the best work in the country. By referring to the sub-sections dealing with one s own state or province there will be found the agencies in that locality available for the blind. If there is no institution or organization in a particular commonwealth applicable to the particular needs of the person in whom one may be interested, apply to the superintendent of the existing institution. He will he glad to direct the applicant to the nearest source of help. Historical sketch. In the United States the first attempt to be of service...
