Turnpikes and Railroads from various directions form a net work of communication with the different parts of this and the adjoining States, rendering it peculiarly easy of access. The different Christian Denominations have churches in the town, which the Students attend, and the character of the inhabitants for high toned manners, morality and intelligence recommends it to parents and guardians as a very desirable place to put those under their charge. In the departments of Natural Philosophy and Chemistry, apparatus to illustrate the different subjects, and a very valuable Cabinet in Mineralogy and Geology, obtained from different parts of America, Europe and Asia, have been provided.
