

## Ingenious: A True Story of Invention, Automotive Daring, and the Race to Revive America (Hardback)

By Jason Fagone

Random House USA Inc, United States, 2013. Hardback. Book Condition: New. 232 x 167 mm. Language: English . Brand New Book. An epic tale of invention, in which ordinary people's lives are changed forever by their quest to engineer a radically new kind of car. In 2007, the X Prize Foundation announced that it would give \$10 million to anyone who could build a safe, mass-producible car that could travel 100 miles on the energy equivalent of a gallon of gas. The challenge attracted more than one hundred teams from all over the world, including dozens of amateurs. Many designed their cars entirely from scratch, rejecting decades of thinking about what a car should look like. Jason Fagone follows four of those teams from the build stage to the final race and beyond--into a world in which destiny hangs on a low drag coefficient and a lug nut can be a beautiful talisman. The result is a gripping story of crazy collaboration, absurd risks, colossal hopes, and poignant losses. In an old pole barn in central Illinois, childhood sweethearts hack together an electric-powered dreamboat, using scavenged parts, forging their own steel, and burning through their life savings. In Virginia,...
